# FireTwister

## ALL FIRED UP

Fire Twister is a 5x5 game with 3125 ways. In the main game, the Bonus symbol feature offers greater chances of triggering the bonus game thanks to moving Bonus symbols. The bonus game offers between 5 to 20 free spins, each of which is punctuated by a whole column of WILD symbols that can multiply your winnings.

In the central region of the United States is an area known as Tornado Alley. TORNADOES are expected every year, but luckily, the EMERGENCY BROADCAST system allows you time to prepare by awarding FREE SPINS until the weather changes.

Once you hear the SIREN, expect to see the TORNADOES in action as they swirl with FREE SPINS, forming a column of WILD symbols. But keep an eye on the TANKER as explosions ignite the TORNADO into a FIRE TWISTER, which MULTIPLIES your WINNINGS into even bigger REWARDS.

Sometimes the storm sends debris spinning your way, but on other occasions, the FIRE TWISTER ignites the sky turning everyday WINNINGS into flaming MULTIPLIERS of WEALTH.
